## Time to Run

At the beginning of this year, the Lord spoke something to my heart that has continued to unfold: **I would write, and then I would run.** Now that my books have been released, I sense the Lord leading me into a new season—not simply writing about the vision, but running with it and living it out. **Habakkuk 2:3** reminds us that the vision God gives us has an appointed time. We may spend seasons preparing in faith, but when the time comes, we must move forward in obedience.

Over these past months, from the Dominican Republic to Hawaii and California, I've seen this word come alive in extraordinary ways. God is opening doors to share the Gospel, minister healing and deliverance, equip believers, and witness lives transformed by the power of Jesus. The season of writing has led to a season of running, and I believe there is so much more ahead!

To my monthly supporters, thank you from the bottom of my heart. Your faithful giving, prayers, encouragement, and belief in what God has called me to do mean more than I can express. You are an essential part of every outreach, every person who receives prayer, every believer who is equipped, and every testimony of salvation, healing, and deliverance. Your partnership enables me to keep saying yes when God opens doors and guides me into new places.

As I step further into this season of running with the vision He has entrusted to me, I would love for you to consider sharing this newsletter with friends, family, or others who have a heart for missions and seeing lives transformed by Jesus. If someone comes to mind, would you invite them to prayerfully consider becoming a monthly financial supporter?

Every new partner helps extend the reach of this ministry and makes it possible to continue going where God leads.

Thank you for running alongside me, believing with me, and helping carry this vision forward. The vision has an appointed time, the harvest is ready, and now is the time to run!

# On Your Mark

Before a runner ever hears the starting signal, countless unseen moments of preparation position them for what lies ahead. Like a runner at the mark, we stand ready to move where God leads, carrying the Gospel to those who need it most. *This is our Kingdom work together!* Your continued support makes it possible for me to equip the Church, pray for the sick, and minister freedom and deliverance locally and internationally. Through your generosity, lives are being transformed by God's power, creating an eternal impact beyond what we can see.

## What We've Achieved Together

With your support, we've been able to:

- Serve and partner with **19 ministries** locally and internationally. The most recent have been YWAM Villa Mella, Lazos De Amor, Hope Academy Christian School, Kalihi Union Church, Garden Church, and Cathedral Church OC.
- Published my latest book on Deliverance in Spanish and Portuguese.
- Ministered to people in need resulting in: **21 salvations, 3 recommitments to Christ, 30 delivered from demonic influences, 130 received inner healing, and 75 experienced physical healing. 58 of which were instantly healed after prayer.**

### Kingdom Power

In the Dominican Republic, our team witnessed a powerful move of God. Across five medical clinics, from Punta Cana to Villa Mella, we served a total of 885 people, demonstrating the love of Jesus through compassionate care and prayer. Many experienced deliverance and salvation. Hundreds received ministry for healing, and approximately 50 people testified that they experienced a healing miracle. Hallelujah!

During our healing and worship night, we ministered to more than 200 people, where many beautiful healing miracles occurred. Behind every one of these testimonies is a person with a story, a family, and a future. What a privilege it is to be a part of what God is doing as people encounter His love, experience His freedom, and discover the renewed hope that He gives!
